## DETAILED ACTION

Claims 1, 2, 6 and new claims 13-34 are pending.

### *Action Summary*

1.

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

2.

The rejection of record made under double patenting over USP No. 6,641,835 is hereby expressly withdrawn in view of applicant's timely filed terminal disclaimer.

2.

The rejection of record made under 35 USC 112 second paragraph is hereby expressly withdrawn in view of applicant's amendment.

3.

Claims 1, 2, 6 and new claims 13-34 stand rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the enablement requirement. The claim(s) contains subject matter, which was not described in the specification in such a way as to enable

one skilled in the art to which it pertains, or with which it is most nearly connected, to make and/or use the invention for the reasons stated in the previous office action.

### ***Response to Arguments***

Applicant's arguments filed August 30, 2007 have been full considered but they are not found to be persuasive.

Applicant is arguing that the instant specification contains support for claiming preventing pigmentation abnormalities in all carnivores and the examiner disagrees. While the examiner can find adequate support for improving the quality of the fur in some dogs and cats, applicant has failed to show support for the out right claiming of preventing pigmentation abnormalities of all carnivores. The examiner accepts treating, maintaining and even improving and possibly reversing undesirable hair discoloration, but not preventing.

4.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the

Art Unit: 1616

shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

5.

No claims are allowed.

#### ***Information Disclosure Statement***

6.

The information disclosure statement (IDS) submitted on August 30, 2007 was noted and the submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the examiner has considered the information disclosure statement.
